

Ladies Bible Study 2022-23

Commencing Tuesday, September 20, 2022
and
occurring approximately every other Tuesday
through April 2023

9:30 - 11:30am
Room 206 (off the Hub)

The *Behold your God: Rethinking God Biblically* study consists of 12 lessons and attempts to answer two questions:

- *Who is the God I profess to know?*
- *How must I live if I am to live faithfully unto this God?*

The study utilizes a workbook, which costs \$20 if ordered on or before August 31.

Workbooks ordered after August 31 will cost \$21.20.

Please place your workbook order with Nancy Snider - reader7060@hotmail.com.

Workbooks will be distributed at the orientation meeting on September 20.
Please provide payment for the study guide at that time.

Our time together will include the viewing of an instructional DVD and discussion of the corresponding workbook material.

We'll start our morning with coffee and a snack.

As we go through the year, we will seek to memorize Isaiah 40, work to build and deepen relationships, and uphold one another in prayer.

This year's study will be co-facilitated by
Tonya Samuels & Nancy Snider.

Child Care

We are delighted that we will be able to offer child care to study participants and give thanks to God for Aubrielle Hardman and Angela McBride, who have stepped forward to oversee this effort. If you will be in need of this service, please let us know as soon as possible so that we may plan accordingly.

For more information, please contact Tonya Samuels or Nancy Snider.
