

HUBS @ FHBC

A Hub is the central part of a wheel or the point of intersection and convergence. Hubs are places we connect with one another. Of course, that can happen in a lot of different ways. Here at FHBC, we have identified four types of Hubs—Community, Learning, Activity and Service.

While not all Hubs meet with the same frequency, they all connect during three main seasons. These three seasons are punctuated by opportunities for corporate connection during advent, holy week and the summer months.

Fall—September through November

Winter—January through March

Spring—April through June

Community Hub leaders will make a decision regarding childcare in advance. There will be three main options:

- Childcare Program Offered at FHBC
- Members of the Group Alternate Providing Childcare
- No Childcare Provided

COMMUNITY

Community Hubs are meant to foster relationships, promote spiritual growth and provide a context for care. They share meals, share stories, read and study the Bible and pray for each other. These groups meet at various times and locations. When joining a Hub, we ask you commit for the fall, winter and spring seasons.

This is an opportunity to have more accountability and open conversation than one could generally have in a co-ed Community Hub setting.

Activity Hubs build community around shared interests—a sport, a hobby, a passion, or a vocation. The options are endless and we hope these groups are as diverse and creative as the people of FHBC. SERVICE

Service Hubs provide opportunities for people connect through serving others. This might involve volunteering in the church or in the community.

- **Olivia's Gift** (Jodee Bruneau / Susan Paras) - Olivia's Gift is a local home for young adults with severe disabilities. Join with others in blessing these amazing individuals. Get on the schedule to visit with residents on a Thursday evening (COVID permitting), donate supplies, provide encouragement, engage in virtual connection, and plan and participate in larger church-wide events.
- **New Creations Prison Ministries** (Colleen Christie) - Inmates are a captive audience. And many are uniquely open to hearing about the gospel. Be a part of a team grading Bible correspondence courses for inmates.
- **Brew Crew** (Gary Nickell)—This group gathers weekly to share a cup of coffee and help with small maintenance tasks around the church facility.
- **Audio/Video Team** (Kris Ford) - Work behind the scenes to help communicate the gospel through projection, sound, and livestream.
- **Nursery** (Amy Anderson)—Encourage young families by helping watch their infants so they can attend worship services and Community Hubs. *Requires a background check and abuse awareness training.*
- **Student Ministry** (Craig Perry) - Invest in the lives of junior/senior high students and help direct them toward a vibrant

walk with Christ. *Requires a background check and abuse awareness training.*

- **Canyon Edge Kids** (Matt Reynolds) - Impact kids as a teacher or classroom helper, or in a support capacity at the children's check-in kiosks. Opportunities are available on Sunday mornings or Wednesday evenings (during the school year). *Requires a background check and abuse awareness training.*
- **Guest Services** (Bryan Molda) — Brew coffee, extend a warm greeting, help give directions, and be a part of a team that creates a warm and welcoming atmosphere for guests and newcomers.
- **Medical Team** (Scott Christie) - Do you have medical or emergency responder training? Be a part of a group that can respond in emergency situations and create a culture of health and safety.
- **Worship Team** (Craig Perry)—Help lead the congregation in worship through singing or playing an instrument.
- **Security Team** (Tim Simon) - Help provide a safe and healthy environment for people to hear from God's Word.
- **Celebration Team** (Angela McBride) - This team helps to facilitate showers, celebrations and other significant events in the life of the congregation.
- **Missions Team** Be a catalyst for missions by supporting and advocating for our missionaries and by mobilizing the church to reach the nations—both locally and globally.
- **ESL Conversation Group** (Susan Paras and Amy Anderson) Our goal is to provide fellowship and English/Culture learning by reaching the local international community and inviting them to our church.

Points of Clarity

- We will provide multiple onramps to make groups more accessible to newcomers.
- Given COVID concerns, we need to offer multiple venue options—traditional (in person), micro (limited to ten adults), and virtual (Zoom-based). A Zoom option could also address child-care dynamics (i.e. could be hosted at 8:30pm after kids are down).
- The micro option allows people to gather in smaller cohorts. This fits with some of the governor's guidelines and perhaps would allow people to feel more comfortable without masks.
- We need at least a two-week orientation period (i.e. Hub fair) before sign-ups go live.
- A sermon-based study guide (with five key questions) is helpful tool allowing most anyone to lead a Hub. But we need to offer more topic-based groups.
- Given our current structure, the Sunday/Wednesday options will be critical. They allow for childcare but also keep families from having to commit another night of the week. In order to accomplish this, we need to set aside Lifeline and offer a couple of different Hubs on Wednesday evenings.
